DELIVERY

It may take between 8-12 weeks for delivery of the bonus offer. Due to the current COVID-19 crisis, delivery may take longer due to external variables outside of the Promoter's control (E.g. delays with the freight forwarder or the supply chain). In addition, there is a current global microchip shortage across the world and this is having an impact on bonus offer product availability and delivery dates, unfortunately the Promoter has no control over this issue and how it will impact product availability and delivery dates.

If the Promoter runs out of bonus offer stock due to demand and current available stock levels, eligible claimants will be contacted and have the choice of waiting until new bonus offer stock arrives or selecting an alternative bonus offer as notified by the Promoter. Any alternative or substituted bonus offer will have the same or a greater value than the advertised bonus offer.

GENERAL

No responsibility will be accepted for late, lost or misdirected claim forms. Payment must be made in full for a product as per the invoice and lay-bys will not be accepted.

Any misrepresentation or fraudulent information supplied by a claimant disqualifies their claim(s) and registration. The bonus offer cannot be returned and bonus offers are not, transferable or exchangeable and cannot be taken as cash. In the event that any bonus offer is unavailable, due to reasons beyond the control of the Promoter, the Promoter will offer an alternative bonus offer at the Promoter's discretion, being a product of equal or higher value.

The Promoter reserves the right, at any time, to verify the validity of entries and eligible claimants (including an eligible claimant's identity and place of residence) and to disqualify any eligible claimant who submits a registration that is not in accordance with these Terms and Conditions or who tampers with the registration process. Suitable forms of verification are at the discretion of the Promoter. Errors and omissions may be accepted at the Promoter's discretion.

The Promoter reserves the right to change, suspend or cancel the redemption offer at any time without notice.

If this redemption is interfered with in any way or is not capable of being conducted as reasonably anticipated due to any reason beyond the reasonable control of the Promoter, including as a result of electronic tampering or fraud, the Promoter reserves the right, in its sole discretion, to the fullest extent permitted by law (a) to disqualify any claimant, or (b) to modify, suspend, terminate or cancel the redemption, as appropriate.

The Promoter reserves the right, at its sole discretion to disqualify any individual who it has reason to believe has breached any of these Terms and Conditions, or engaged in any unlawful or other improper misconduct intended to jeopardise the fair and proper conduct of the promotion.

The Promoter is not responsible for any technical malfunctions or problems with internet or network congestion, including injury or damage to a participant's or any other person's computer related to participation in this promotion and problems with transmission of entries and/ or emails over the internet, acts in violation of these Terms and Conditions, acts in a disruptive manner, or acts with the intent to annoy, abuse, threaten or harass any other person.

Any taxes which may be payable as a consequence of a participant receiving a bonus offer are the sole responsibility of the eligible claimant or participant.

If any bonus offer is unavailable, the Promoter, in its discretion, reserves the right to substitute the bonus offer (or that part of the bonus offer) with another bonus offer to the equal or greater value and/or specification.

The Promoter's decision is final and no correspondence will be entered into.

The Promoter makes no representations or warranties as to actual product pricing. The AEG product pricing varies and may increase and is adjusted every year, the Promoter does not guarantee any product pricing and the product RRP is subject to change due to factors beyond the Promoter's control.
