Meets your requirements: Case: robust, large, stable and secure with lid brake. **Lowers your costs:** The right tool protects you from damaging materials and avoids subsequent work. **Increases your safety:** Internationally award-winning VDE-insulated tools, each individually tested at 10,000 V AC and approved for use at 1,000 V AC. Gas-filled shock absorbers hold the lid in all positions and reduce the risk of injury when closing. **Protects your health:** Wiha pliers require less force and reduce pressure on wrists. Ergonomic handle design makes work easier and prevents occupational illnesses. Carry belt enables the simple transport of the tool case and keeps hands free for other materials. **Increases your efficiency:** A comprehensive tool assortment, always having the right tool at hand when needed. The design and function of the tool trays guarantee quick and easy access to tools. **Increases your flexibility :** Ample space for additional tools and lots of storage for small parts and machines.
