SOLVENTS & THINNERS

Diggers Mineral Turpentine (Low Odour)

DESCRIPTION

Diggers Low Odour Turps is a low-odour alternative to conventional Mineral Turpentine. It is commonly used for thinning oil-based paints and cleaning paint brushes and equipment after painting.

TYPICAL USES

- Thinning oil-based paint
- Removing wax and polish
- Cleaning paint brushes and equipment
- Cleaning metal

FEATURES

- Clear colourless liquid
- A mid-range evaporation rate
- Good solvency for oil, grease, wax and silicone
- No residue on drying
- Low-aromatic content reduces strength of odour during use

APPLICATION

Thinning Oil-Based Paint

- To achieve optimum results always follow paint manufacturer's directions when thinning paint.

Removing Waxes and Polishes

- Always test on a small area first. Use direct from the bottle. Saturate a lint free cloth with **Diggers Low Odour Turps** and wipe in one direction to remove containments from surface. Use a clean part of the cloth for each wipe. For vertical surfaces start at the top and work downwards.

Cleaning Paint Brushes

- Place brush in jar with **Low Odour Turps**, squeeze out paint and rinse with strong soapy water.

Degreaser

- Use undiluted to remove built-up oil and grime without leaving any residue.

SAFETY

Wear suitable protective clothing, gloves and eye / face protection when using this product.

Typical Characteristics

Appearancecolourless liquid
Specific Gravity..... 0.78
Flash Point.....42°C
Auto Ignition Point.....296°C
Flammability Limit..... 0.7–6.5%
