

Plantation Shutters

Enhance your windows while adding value to your home with the privacy, versatility and warmth of reinforced DIY PVC Plantation Shutters

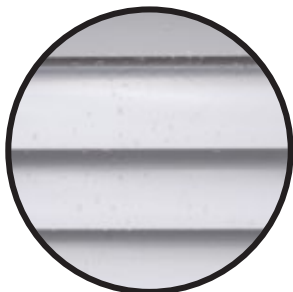

Features

Contemporary 89mm louvres offering full 180 degree closure for maximum privacy

Elegant flat frame creates a modern environment to enhance any décor

Moisture, UV and termite resistant polymer complements Dulux Vivid White™

Extra strong aluminium core reinforcement to prevent warping for longer lifespan

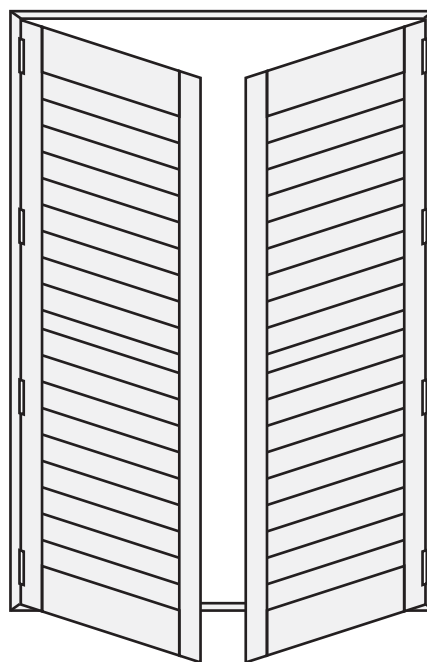

Hidden tilt bar for maximum light control allowing obstruction free views

Comes complete with frame, all fittings, and additional packers for slightly larger windows

Includes

- Frame - Top/Bottom/Left/Right
- 2 Panels - Left/Right with pre-fit hinges
- 12 Packing Strips:
 - 4 Lengths of 5.0mm thick
 - 8 Lengths of 2.5mm thick

If the recess opening is slightly larger than the frame, 2.5mm and/or 5mm packing pieces can be used to fill up to 20mm in total width & height.

- Hardware and Components
 - Hinges & Magnetic Latches are pre-fitted to both the Frame/Panel

Designed to complement

Vivid White™
