UHH650	650L	1440	1020
UHH1250	1250L	1440	1420

# TOUGH. RELIABLE. EFFECTIVE.

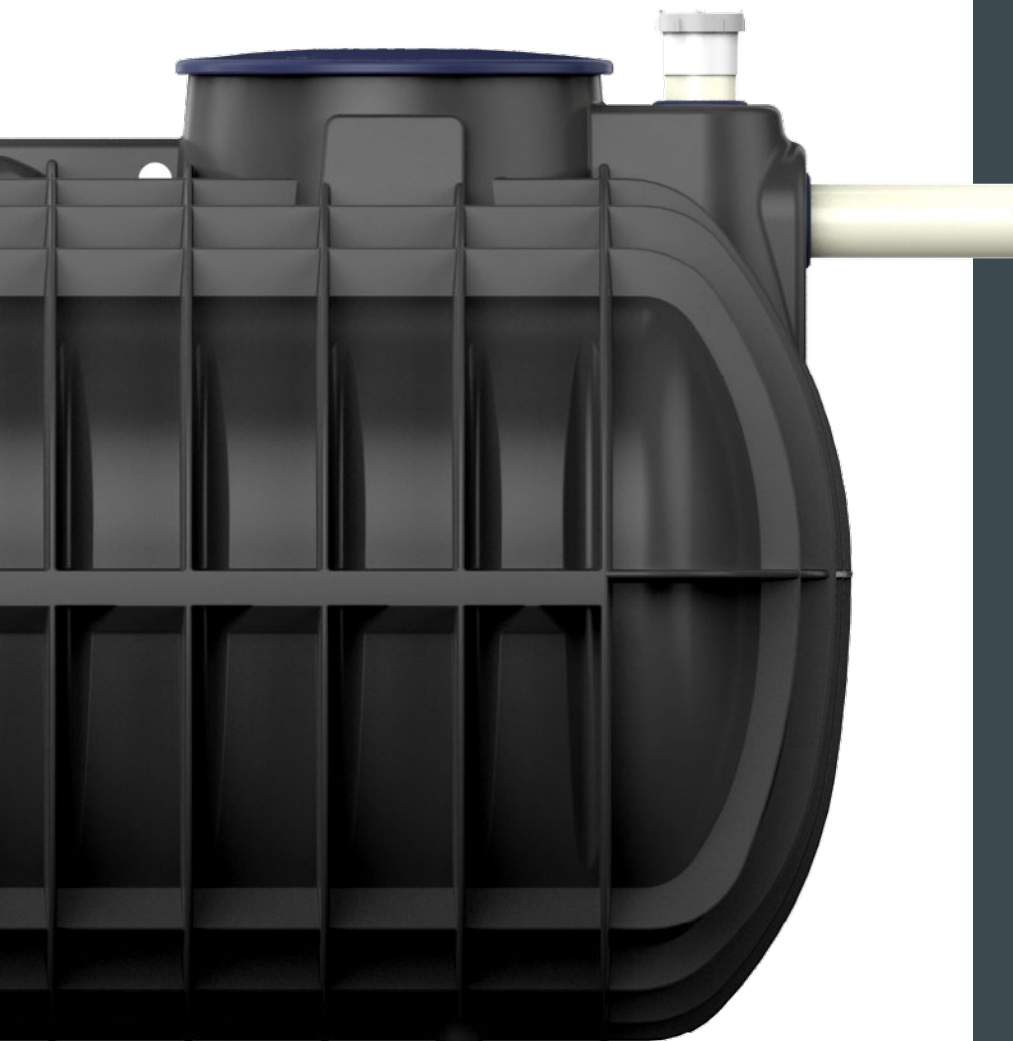

A septic tank is a lot of things,  
but it's certainly not glamorous!

---

**Performance. Strength. Reliability.**  
**THE REAL DEAL. THAT'S WHAT MATTERS.**

---

BLOO Septic Tanks will handle the worst conditions and perform the best when it matters. You can also feel great about buying one, purpose built in Australia for Australians.

*Solutions produced by*

- ▶ Fully compliant with Australian Standards AS/ NZS1546-1:2008
- ▶ Heavily ribbed to prevent collapse or cracking
- ▶ Manufactured from industrial strength polyethylene
- ▶ Self locating shape prevents tank from 'floating' out of the ground

*DIFFERENT. BETTER. GUARANTEED.*
