

SCHLAGE

Schlage **Element Series**

Affordable Style for every home.

Complement your interior design with the extensive range of internal door levers in the Schlage Element Series.

This affordable range has a unique style to suit your décor, ranging from a classic lever design, smooth contours or a more contemporary styled lever with crisp edges.

Sleek design

- Larger rose design, perfect for retrofitting
- Concealed fixing screws
- Built-in privacy push-button for ease of use

Fast, easy installation

- All levers are non-handed (except Florence and Olive)
- Can be used with Schlage tubular latches, ME series mortice locks or 990 series mortice locks

Durable construction

- Lever and rose constructed of high purity zinc alloy
- High quality Satin Chrome Plate finish
