Useful Tips

- Most Wardrobes are 600mm in depth.
- A two door double track is 82mm wide, this allows approximately 500mm of clear hanging space.
- Two doors on a 82mm wide track will allow you to have half the wardrobe open at any one time.
- A three door triple track is 125mm wide. A triple track can be used in a 600mm deep wardrobe, but hanging space will be slightly reduced.
- Three doors on a triple track will allow you to have two-thirds of the wardrobe open at any one time.
