Robotic Pool Cleaner

Key Product Features & Benefits

Floor and Wall Cleaning

The Gotcha™ cleans both floor and walls during its 2.5 hour cleaning cycle. The front scrubbers removes debris efficiently resulting in a deep clean to the pool floor and walls.

Convenience

Maintenance is easy with a direct top access filter canister: simply hose to clean. Transparent window allows clear visibility of what has been collected.

Lightweight

The large handle allows for easy removal from the pool, delivering effortless and lightweight handling at only 5.5kg.
