AlfrescoPlus™

Outdoor BBQ kitchens

The epitome of beauty and function rolled into one. We bring together market leading appliances, premium materials and award-winning services to make your Outdoor BBQ Kitchen more than just a dream. Your AlfrescoPlus™ outdoor kitchen can be made as small or large as you like - to suit your alfresco area and your budget.

Pre-packaged Flatpack AlfrescoPlus™ DIY Range

The AlfrescoPlus™ Range makes it easy to get your outdoor BBQ kitchen setup. We've done the thinking for you, packing popular colour palettes with ready to go appliances making your install from start to finish achievable by the DIYer. The modules are all delivered in a flat pack form for easy transport.

AlfrescoPlus™ Aluminium Frame

The AlfrescoPlus™ aluminium framing system provides the backbone of our outdoor kitchens. They harness the power of technological advances and engineering perfection, bringing together a patented cabinetry system that's unlike anything else on the market.

100% Waterproof

When combined with waterproof PVC panels, AlfrescoPlus™ aluminium extrusions join seamlessly, forming a rigid and robust cabinetry solution that is almost 4 times quicker to construct than traditional cabinetry.

We Have You Covered

Backed by our friendly customer service and guaranteed warranties. We use quality materials and offer a 15 year structural warranty for your peace of mind*. You don't need to worry about a thing.

* It is recommended that your AlfrescoPlus™ Outdoor Kitchen is assembled, installed and positioned wholly or partially under cover. This will protect the unit from the elements and generally keep it cleaner.

STEP 1

Measure Your Space

Your AlfrescoPlus™ outdoor kitchen can be made as small or as large as you like – to suit your alfresco area and your budget. The options are limitless.

Design your outdoor kitchen area using our measurement and grid system on page 18.

Every outdoor kitchen starts with a vision.

STEP 2

Select Your Appliances

New Zealanders love their barbecues and outdoor lifestyle. Our commitment to excellence in quality, design and both technical standards and innovation means that with AlfrescoPlus™ you can transform your outdoor space into a desirable alfresco area, perfect for entertaining. Choose your appliances for your alfresco kitchen from the extensive range at Bunnings.

Important Installation Information:

1. It is recommended that your AlfrescoPlus™ Outdoor Kitchen is assembled, installed and positioned wholly or partially under cover. This will protect the unit from the elements and generally keep it cleaner.
2. When positioning the outdoor kitchen, it must conform to New Zealand Standards. i.e. open ventilation and also distance to combustible surfaces. Refer to your BBQ instruction manual for more details.

AIRFLOW

AIR FRAME TECHNOLOGY SYSTEM

AlfrescoPlus™ patented Air Frame system, included with every BBQ module, provides a heat proof shield between the BBQ and cabinetry.

STEP 3

Choose Your Cabinets

There are single and double sink, fridge and storage modules in the AlfrescoPlus™ range to choose from. There are also various sized BBQ modules to suit your preferred BBQ.

The AlfrescoPlus™ modules feature PVC panels which are impervious to water and won't crack, split or rot and AlfrescoPlus™ patented aluminium frames which make assembly easy for any DIYer.

All modules come pre-packaged and flat-packed!

*NOTE: All BBQs come with vented cabinets that comply to New Zealand standards for LPG cylinder storage.

INCLUSIONS

Bench Tops, Taps, Sinks and Handles

Finish on a high! Designer Tap, Sink and Door Handle hardware to complete your outdoor kitchen.

AlfrescoPlus™ have combined high quality materials expected by the chef in all of us. Clean surfaces that are nice to touch and resistant to all BBQ cooking methods that take place over years of use.

Designed perfectly for busy gatherings, capable of creating spaces that make preparing food a pleasant experience that precedes the pleasure of sharing a meal with friends or family. These finishes represent beauty and solidity with easy, fuss free cleaning and what really matters is that you do not have to worry about scratches, stains or traces of heat. A simple wipe with a cloth is all it takes so you can spend more time entertaining.

Black Acrylic Quartz Bench Tops

Resistant to scratching, virtually zero porosity and highly resistant to aggressive chemicals, high temperatures and UV rays.

Mixer Tap

Our AlfrescoPlus™ Gooseneck Matte Black WELS rated Mixer Tap gives your outdoor kitchen a modern, contemporary look and feel. The outdoor kitchen mixer tap is designed for full hands, the long spout enables you to use your elbow if you need to move the spout out of the way. The 360° swivel function makes this an efficient tap for your outdoor kitchen.

Single and Double Sinks

Our AlfrescoPlus™ Matte Black single and double sinks are made from premium materials for a more robust finish and design.

Single Sink

OVERALL SIZE: 450 x 300 x 200mm

Double Sink

OVERALL SIZE: 500 x 400 x 300mm

Handles

Black, ergonomic and elegant handles.

AlfrescoPlus™ storage, sink and fridge module kits

Alfrescoplus™ Pre-Designed DIY Outdoor Kitchen Range

The ultimate outdoor kitchen solution for your outdoor alfresco area.

Our fabrications are second to none making your outdoor kitchen easy to measure, design and build.

Easy Assembly

Easy to follow, step by step guides and online assembly videos, taking your DIY experience to the next level. The modules are supplied flat-packed and are easy to transport and assemble. However, you can always have an approved assembler do it for you.

Imagine, design and create.

Market Leading Appliances

An extensive range of market leading appliances – BBQs, Bar Fridges and a Rangehood are available – to make your dream outdoor kitchen a reality.

Module Cabinets – Flexible In Configuration

There are single and double sink, fridge and storage modules in the range. And various sized BBQ modules to suit your selected BBQ. Your outdoor kitchen can be made as small or large as you like – depending on your area and budget.
