

Sliding Door Hardware

Mawson® Sliding Patio Door Lock

Description

Zinc diecast inner D handle deadlock with diecast outer pull.

Suitability

Suitable for residential aluminium or timber sliding doors. Mawson incorporates a low profile D handle for doors fitted with an internal security screen.

Features & Specifications

- Australian made with an imported cylinder
- Surface Mounted
- Standard 82mm fixing holes
- Central turnbar hole for external cylinders
- Integral anti-lift pins to resist attempts to lift the door out of its track.
- Non-handed
- Self retracting beak avoids damage and accidental lockout.
- Suitable for use with a wide range of outer pulls and strikes
- Available in External Single Cylinder, Snib Only and Dummy variants.

Available in Trade Pack Only.

Keying

Mawson uses C4 5 pin cylinders as standard, and can be keyed alike to other C4 and CYL4® Whitco and Lockwood products.

Also available with 10 Disc cylinders.

Finishes

Black	17
Special Powder coat	

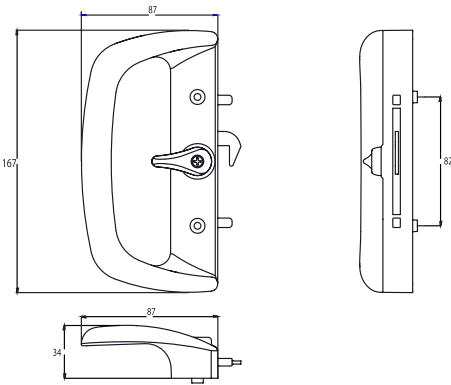

Not all versions are available in all finishes. Please contact 1300 LOCKUP for current availability of your variant.
